

## 5 Easy Steps to Publishing Your Book Through Kindle Direct Publishing for Amazon.

1. Editing, either by your self using this editing app. Pro writing Aid at [prowritingaid.com](http://prowritingaid.com) or by hiring a level 2 or higher editor on Fiverr
2. Set up an account at Kindle Direct Publishing. The representatives at Kindle Direct Publishing are very helpful in teaching you how to publish your books for free.
3. Send your manuscript to a formatter on Fiverr so your manuscript can be properly formatted for e-book or for paperback. We recommend Arkonna on Fiverr. Arkonna does an excellent job.
4. Book cover design. We highly recommend Tasally on Fiverr. Tasally does a great job. Or you can use the cover creator on Kindle Direct Publishing. Creating a book cover for an e-book is very simple and the people at Kindle Direct Publishing are very helpful. Creating a front and back cover for a paperback is more entailed and requires exact measurements that's where Tasally's expertise is most appreciated.
5. Downloading and publishing your book through Kindle Direct Publishing is very easy and the Representatives at Kindle Direct Publishing are there to help talk you through the process every step of the way...
